Subject: Endorsement Survey for Proposed Learning Outcome Revisions in English TAGs and Addition of Introduction to Literature and Multicultural Literature TAGs

Background:

In early 2019 the Ohio Articulation and Transfer Network (OATN) held a discussion with the Ohio Guaranteed Transfer Pathways (OGTP) panel in the discipline of English to explore transfer pathways. During discussions, the OGTP English panel recommended the creation of additional English TAGs. The Ohio Articulation and Transfer Network (OATN) arranged for English TAG panel content matter experts, as well as a representative from the OGTP English panel to meet and discuss updates within the English TAG. Initial meetings lead to the dissemination of a statewide research survey to identify department teachings, pre-requisites, and collection of syllabi. These efforts prompted the English TAG panel to further review the need for additional TAGs.

After some discussion, the TAG faculty panel has recommended creation of additional English TAGs in Introduction to Literature and Multicultural Literature. Each proposed course will equate to 3 credit hours. In addition, the TAG faculty panel has recommended minor revisions to the current TAG courses:

- OAH053: American Literature I
- OAH054: American Literature II
- OAH055: British Literature I
- OAH056: British Literature II
